Delaware	3 months	No	3 months	Yes	
Hawaii	90 days, but plans ceased to be available as of October 2018. Vermont	3 months	No	3 months within any 12- month period, if any plans were available for sale. (None are, as of 2018.) As a result, no insurers are selling short-term plans in Vermont.
Washington	3 months	No	3 months	New regs prohibit renewals and prevent the sale of a short-term plan to anyone who has had 3 months of short-term coverage in the past 12 months.
